Hi Nancy,

Currently, I am working at Novartis with an E3 visa, but I was wondering what the steps are for application of a green card.

Who is the best person to speak to about starting this process?

Best regards,
Callum

Hi,

We can proceed with the E3 180 days prior to the current expiration date. Please let me know who your HRBP is so that we can coordinate proceeding with the extension.

Thanks,

Subject: E3 visa renewal

Dear GT law,

My E3 visa is up for renewal next year (29 May 2019).

I've updated my details in the online GT law portal.

I was wondering when to begin the paperwork so that it is ready to apply for visa renewal?

Best,

Callum
