Subject: Novartis Institutes for BioMedical Research, Inc.: Adjustment of Status on behalf of Callum Dickson [KBOgberg561-7]

Dear Callum,

Novartis Institutes for BioMedical Research, Inc. has asked Greenberg Traurig, LLP ("GT") to commence the preparation of your I-140, Immigrant Petition for filing with U.S. Citizenship and Immigration Services (USCIS). At this time, please complete an online questionnaire by clicking on the link below. Please also review the checklist of items (attached to the questionnaire) which GT needs you to provide to prepare your case. You may have provided such documentation previously; however, kindly resubmit so that GT can ensure that it is getting the most current and up-to-date information and documentation possible. Once completed, please click the "Inform/Submit" button so that your information is downloaded into GT's online case management system -- INSZoom.

PLEASE NOTE: You must upload the documents prior to submitting the questionnaire.

Please let us know if you have any questions. We look forward to working with you.

By providing your personal information to our office you are consenting to our use of this information for U.S. immigration purposes.

Click below to access important information required to continue processing your case. Your access code is **AGEYM752085816537966**
